Kuwait Petroleum Corporation becomes the first regional sponsor of the 2019 Abu Dhabi World Energy Congress

Abu Dhabi, United Arab Emirates (UAE), 3 July 2018 – The UAE Organising Committee of the 24th World Energy Congress has announced today that Kuwait Petroleum Corporation will be a Silver Sponsor for the Congress, taking place in Abu Dhabi from 9 to 12 September 2019.

The announcement sees Kuwait Petroleum Corporation (KPC) become the first regional company to endorse the Congress. It will join UAE based companies Mubadala, Emirates Nuclear Energy Corporation (ENEC), Abu Dhabi National Oil Company (ADNOC) and the Dubai Electricity and Water Authority (DEWA) which will be the Host Sponsors.

Kuwait Petroleum Corporation’s business activities range from discovering new hydrocarbon reservoirs to delivering clean and safe fuel for motor vehicles, aircraft, ships, agriculture and power stations. KPC also provides several base petrochemical products that are essential for the industrial manufacturing of many basic modern-day necessities.

During the signing ceremony, Dr. Matar Al Neyadi, Undersecretary at the UAE Ministry of Energy and Industry and Chairman of the UAE Organising Committee for the 24th World Energy Congress, said: “We are delighted to have partnered with Kuwait Petroleum Corporation, and honoured that they are the first regional company to become a sponsor at the Congress. KPC is widely recognised as one of the top ten oil companies, and a leader in providing safe, secure and clean energy to the global market. They are therefore well placed to provide their knowledge of the industry and share their insights into future trends in the oil and gas industry. Their participation is testament to our ambition in bring leading companies and investors, industry experts and entrepreneurs to Abu Dhabi next year, and we hope their participation will be the spur for other regional companies to come on board.”

“We are proud to take part in this influential energy event that attracts decision makers from around the world. The 2019 World Energy Congress will provide a unique opportunity to discuss the challenges the industry face and how we can find optimum ways to transform those challenges into valuable opportunities to invest in sustainable solutions whilst ensuring energy security for all”, said KPC CEO Mr. Nizar Al-Adsani. He added: “The event held in Abu Dhabi and hosted by the UAE Government will ensure additional value for all participants at the conference.”

Held every three years in select international cities, the World Energy Congress is the world’s largest, longest-running and most influential energy gathering. Under the patronage of His Highness Sheikh Khalifa bin Zayed Al Nahyan, President of the UAE, the 24th edition will take place from 9 to 12 September 2019 at the Abu Dhabi National Exhibition Centre (ADNEC). This will mark the first time the Congress has been hosted in a Middle Eastern city, and by an OPEC member country, in the event’s 94-year history.

The World Energy Congress sets itself apart from other energy and energy-related conferences by covering the entire energy spectrum, from oil and gas to renewables and nuclear as well as power, providing a forum for the industry’s largest and most diverse conversation.

About the World Energy Congress

The World Energy Congress is the world’s largest and most influential energy event covering all aspects of the energy agenda. Running since 1924, the triennial World Energy Congress enables dialogue among Ministers, CEOs and industry experts on important developments in the energy sector. As the world’s premier energy gathering, the Congress offers a unique opportunity for participants to better understand energy issues and solutions from a global perspective. Over the 90-year history of the World Energy Council the Congress has been key to the value of the organisation. The Congress has been staged in over 20 cities across the world.

About Kuwait Petroleum Corporation

KPC is one of the worlds most respected, trusted and reliable suppliers of energy. It has a long and proud history. Kuwait Petroleum Corporation (KPC) was formed in January 1980. The activities of KPC are focused on petroleum exploration, production, petrochemicals, refining, marketing, and transportation. We at KPC strive to manage and operate these integrated activities worldwide in the most efficient and professional manner, in addition to growing shareholder value whilst ensuring the optimum exploitation of Kuwait’s hydrocarbon resources. We firmly believe that our role transcends managing and developing the oil industry. Spurred by our social responsibility, we avidly take part in social activities, support worthy causes, take initiatives to enhance our HSE performance, hone the skills and talents of our staff, and improve the quality of life wherever we operate our business.
